

EMPLOYEE COMMUNICATION & ENGAGEMENT PLATFORM

An investment, not just another cost

- Reduce turnover and onboarding expenses
- Increase productivity
- Mobile access allows employees to return to work quickly and informed
- Save customer service time
- Improve customer retention
- Align employees with company values and goals

Communication & Engagement

Benefits

- Connect every employee in the entire organization across all functions, shifts, and languages
- Empower leaders to engage with and recognize their teams, share knowledge, and celebrate successes
- Embed and sustain service training, upselling, and other initiatives for exceptional guest service and results

Operational Efficiency & Savings

Benefits

- Increase efficiency with real-time communication, streamlined operations, shift management, task management, crisis communication, and much more
- Reduce costs due to lower turnover, increased productivity on the front lines, time saved for HR and leadership teams, and less redundancy of other systems
- Encourage all employees to innovate and share best practices

“Beekeeper has helped improve our guest services and TripAdvisor scores. We’ve actually improved internal communication on every single detail it takes to orchestrate a hotel daily.”

Jeff David

Managing Director, The Watergate Hotel

“Beekeeper has revolutionized the way that I’ve been able to communicate around the topic of safety and increase our safety awareness and safety culture.”

Halston Kirkpatrick

Safety Manager, The Budd Group

“The quickest and easiest way to get critical information out is on Beekeeper. I can make 50 phone calls and not get the same result that I can get in just 35-40 seconds on the platform.”

Jeremiah Mallard

Animal Handling Transport Manager, Seaboard Foods
